Message from our Delegate

My name is Jake and I am an alcoholic. Welcome to another year and another panel of General Service inside Alcoholics Anonymous. This year will be panel 73 which means it will be the 73rd General Service Conference, one every year since 1951. When I think of all of the amazing people and work that has gone into keeping Alcoholics Anonymous what it is, so it would be here when I got here to save my life, I could cry.

Obviously, when I walked through the doors of Alcoholics Anonymous in 2006 weighing 130 pounds with my eyes sunken into my head, dying of alcoholism, and completely dead spiritually, I did not know anything about AA. When I read the steps on the wall, I thought it was a joke. I knew that whatever was wrong with all of you weirdos was not the same thing that was wrong with me and that this program was never going to work for me. Luckily for me, I became a member of a home group that put me into service and 16 years later I am honored and privileged to be elected to serve as the panel 73 Delegate for Area 42.

Sometimes I feel scared, unprepared and not worthy to serve in this position. Then I remember what I tell

new GSRs, “in two years you will have it all figured out and then it will be time to move on and do something else inside of AA” and that is the way we like it! All I am is a hopeless alcoholic who was given a second chance at life through the program and the amazing people of Alcoholics Anonymous. That is something I never want to forget or take for granted for as long as I live.

All I can do in this position is to be me and to serve Alcoholics Anonymous to the best of my ability. I

GSR PREAMBLE:

“Let us, therefore, have the patience and tolerance to listen while others share, the courage to speak when we have something to share, and the wisdom to do what is right for our group and AA as a whole.”

want to say thank you very much to everybody who served on panel 71 and welcome to everyone who will be serving on panel 73. Panel 73 is going to be the best panel in the history of the universe!

Right now is **THE MOST WONDERFUL TIME OF YEAR!** What time of the year is that you ask? Well it’s General Service Conference agenda item time of course!! We will

be busy getting, summarizing, and discussing the items that will be on the agenda at the General Service Conference in New York on April 22-29. We will also discuss the agenda items at the Pacific Region Alcoholics Anonymous Service Assembly (PRAASA) on March 3-5, the Northern and Southern round tables on March 18 and 19, and at our Area 42 Assembly in Tonopah, Nevada on March 31-April 2.

We should be receiving the agenda items and the background information around February 15. As in the past, we will be using Area Conference Committees to summarize and recommend topics for

our round table and Assembly discussions. Paul, our alternate delegate, has been hard at work rounding up the committees to serve this year. If you are not currently on an Area Conference Committee, what are you waiting for? Get in touch with Paul right away! Having an informed group conscience throughout our Area is how we insure the unity of our fellowship.

The General Service Conference, the Traditions, the Concepts all boil down to one thing and that is unity. It is our responsibility to keep our fellowship unified. As Bill says, “Therefore, no society of men and women ever had a more urgent need for continuous effectiveness and permanent unity. We alcoholics see that we must work together and hang together, else most of us will finally die alone.” That does not mean we are always going to agree on what we should do with the agenda items. We do not need to all agree to stay unified. But we must listen with an open mind, especially to the people we do not agree with. It is important that we fully discuss the items and hear from as wide of a range of Area members as possible. As the GSR preamble says, “Let us, therefore, have the patience and tolerance to listen while others share, the courage to speak when we

have something to share, and the wisdom to do what is right for our group and AA as a whole.” If we can do this, always remembering that love and tolerance is our code, posing the question to the group conscience and then trusting that the group conscience is always right, even if we don’t think so, then we can stay unified. The group conscience is always more sound and more important than any one individual’s opinion. I feel so grateful to have been part of this process for the last 16 years. Now I am able to represent Area 42, the best Area on the planet at the General Service Conference. As I write this, I realize I would never be able to put into words what that means to me. So come join us as we get an informed group conscience of the agenda items of the 73rd General Service Conference. You will have a host of friends, it is an experience you don’t want to miss, we know you will not want to miss it! Alcoholics Anonymous has saved my life and General Service has become a huge part of my program of recovery. Thank you all very much for being a part of my recovery and I hope to see you all as we trudge the road of happy destiny.

NEVADA AREA 42 PRE-CONFERENCE ASSEMBLY

March 31 –

April 2, 2023

Message from our Area Chair

Hello Area 42, Welcome to Panel 73!!!

Hope everyone is well. I'm looking forward to seeing everyone at the Area Assembly. This assembly will be both in-person and virtual. Of course, in-person will be in beautiful downtown Tonopah at the Convention Center and virtual information will be sent out with the agenda. Please share it with all of Area 42 members. The dates for the assembly are March 31 through April 2, 2023.

Registration will open at 4pm and we will start the assembly at 6:00 pm Friday. We will meet all-day Saturday and until about noon on Sunday. It is important for our delegate to hear what your groups' think about the agenda items, including those covered at the roundtables. Also, we will hear from our Delegate, Jake S., and a Pacific Region Trustee

report. Additionally, Molly A, Class A (non-alcoholic) Trustee will join us virtually.

Remember if you can share a ride and a room it will help with costs plus you will have fellowshipping along the way. If your home group cannot fully fund you Area 42 can help. Right now there is no registration fee. We will have a banquet and speaker Saturday night. The speaker will be Reilly K., Pacific Region Trustee.

I'm so grateful to serve the area as your Panel 73 Chair. I'm looking forward to seeing you at PRAASA (Pacific Region AA Service Assembly) and the Area 42 2023 Spring Pre-Conference Assembly. Love and Service,

Lyle C., Area Chair

chairperson@nevadaarea42.org

What's a Round Table????

A round table is a symbol of equality: No one sits at the head; therefore, everyone sitting around the table has an equally important position. At the SAGCS and NAGSC Round Tables, Area members will come together to discuss Conference Agenda Items. This is your chance to have your voice heard as well as forming a group conscious at your home group and

at the Area level. The topics are on the important issues of our modern day fellowship. Area 42 invites you to join us at our "round" table, but don't worry, we won't ask you to joust!

Message from our SAGSC Chair

It is my pleasure to serve you as your Panel 73 Southern Area General Service Committee (SAGSC) chair. I am grateful for this opportunity to serve. We hit the ground running in January, with our first SAGSC meeting on January 8th. Some highlights include:

- The GSR Trainer and DCM Coordinator held their well-attended meetings prior to our SAGSC meeting.
- All is well with the Treasury, except the Treasurer isn't a signatory on the bank account yet! It will happen. There is money in the bank. The Treasury is now unified. Groups need write only 1 check. Please mail all contributions (NAGSC, SAGSC & Area) to:
Area 42 Treasury, PO Box 70171, Las Vegas NV, 89170-0171
- The SAGSC and NAGSC bank accounts will close in February or March.
- Please continue to make your contributions to your District, GSO (prefers credit card contributions), Central Office, and H&I.
- We are gearing up for the March 19th SAGSC Roundtables. The background information is scheduled to arrive around February 15th. It will be sent to the various Area Conference Committees for summarizing and prioritizing. Stay tuned! As usual, information will come fast and furious!
- We have two dark Districts – District 11 – Nye & Esmeralda Counties, including Tonopah, Goldfield & Gabbs. And District 5A – the Stairway II Club. Please keep the alcoholics living in these Districts in your prayers. Hopefully, they are making it to meetings and will be back in General Service soon. I believe the groups meeting at Stairway II have joined District 5B.
- La Vina is now a standing committee, thanks to a guidelines change. Yeah! Welcome!
- We had a First Reading to create the SAGSC Technology Chair position.
- We celebrate birthdays since our previous meeting. At the January 8th meeting, we celebrated over 268 years (from November to January).
- We set our meeting dates for the year. **ALL ARE WELCOME TO ATTEND.** All meetings are hybrid: live at the Las Vegas Central Office and on Zoom. We will use the same Zoom info for each meeting. Here's our schedule:

March 19 SAGSC Roundtables – 1 – 4 pm

May 21 SAGSC - GSRs & DCMs meet at noon - General Service Meeting is from 1-3ish

July 9th SAGSC (same as May 21st)

Message from our Alternate Delegate and NAGSC Chair

Welcome to Panel 73, I'm Paul, your Area 42 Alternate Delegate. One of my first duties was to help form the Area Conference Committees (ACC) which most of the NAGSC and SAGSC standing committee chairs and officers have volunteered to be the chairs and alternate chairs for the 13 different committees that mirror the General Service Conference (GSC). As I am writing this we are waiting for the agenda items and background material so that these committees can summarize the agenda items for the GSC. This is a very busy time for the Area and these committees as they still have their regular committee to do. I would like to thank all of those who have stepped up to do this service work for the Area, chairs, alternate chairs, committee members, and those past trusted servants that are advisors.

As Alternate Delegate there is a virtual meeting that happens with other Alternate Delegates throughout the U.S. and Canada on the 1st day of every month. I have already attended 2 of these (Thanks to Jake for setting me up) and they are sharing sessions of how the different Areas deal with the different issues in their Areas such as the GSC agenda items. This is very helpful to hear the different ways they are doing things. I believe that this virtual access that has been around for some time

even before covid-19 that we as an Area and A.A. as a whole are now using more and more to connect with is going to be beneficial to all of A.A. and can just keep getting better. I still like to meet in-person whenever possible and for those that have accessibility concerns, hybrid is a great option.

“As I am writing this we are waiting for the agenda items and background material so that these committees can summarize the agenda items for the GSC.”

As your NAGSC Chair, we had a welcome to Panel 73 NAGSC unofficial meeting on January 29th. It happened to snow that morning in the North, so in-person attendance was low, but most of all of the NAGSC officers and

standing committee chairs were able to attend if not in-person but virtually. This was a meeting for those to introduce themselves and talk a little about their different positions. I look forward to our first official NAGSC meeting on March 18th, this will be the roundtable meeting (Agenda Item presentation meeting) which will be the main focus. Although, we do have a very little bit of business to take care of at the start of the meeting. I'm excited and humbled, if that can happen at the same time, for the start of this new panel. Thank you for allowing me to serve.

Message from our Area Alternate Secretary and SAGSC Secretary

Happy New Year and welcome everyone to Panel 73. Let me start with the most important part – my name is Libby and I’m an alcoholic. Last year I was voted in as the Alternate Area 42 Secretary and I am truly honored to continue to be of service to Area 42. Some people may think that sounds pretentious, but I really mean it. There was a time that no one was interested in my participation in anything. Now it’s different.

Being Alternate Area Secretary and being from the South, I was offered the opportunity to become the SAGSC Secretary. Being the service junkie I am, I said, “of course I’ll be the SAGSC Secretary” and so begins my two year journey.

In the South the first SAGSC meeting was on the 2nd Sunday in January. This year, with New Years Day being on Sunday, many of us weren’t expecting SAGSC to be on what seemed to be the first “functional” Sunday in January. So when I was back from my trip visiting family for the holidays and kind of waking up – to my shock and amazement it was the Tuesday before SAGSC, which was on Sunday! So began my crash course in being the SAGSC Secretary; sending out emails, requesting reports, trying to find out who all the new DCM’s are, who are the SAGSC committee chairs, working to get everything translated, answering questions from people as lost as I am, and oh so much more. It was crazy but exhilarating.

In the end we had all but 3 or 4 reports. The SAGSC meeting went well. I got everything out that needed to be out, well almost everything. I thought I had sent out the correct version of a Guidelines change – and I had the area version not the SAGSC version, whoops. I had copies for everyone. I even figured out how to use a recording app on my phone to help me with the minutes. Thank you everyone who was part

of that process and who helped Caroline (the SAGSC Chair) and myself. A special thanks to Ashley who was running around like crazy to get the sound system and zoom up and running. She’s a superstar.

By the way, I created a two page SAGSC meeting summary to make it easier for everyone to get the highlights of the meeting without having to read through a transcript. If you want a copy reach out to me and I’ll get it to you.

The other part of my job is being the keeper of the Area Literature. I brought home 4 large tubs of literature and some smaller boxes. I will bring them back to the Area Assembly and have it all available for sale. I inventoried what I have, and I’m impressed that about half the literature is in Spanish. I’m going through to see what I need to replace and/or have available at the assembly. I’m curious to see what people are interested in buying. In case you are wondering I am going to buy about 20 service manuals to have on-hand. If you know ahead of time you might want something specific at the Area Assembly let me know ahead of time and I can try to get it for you. If anyone needs me to bring literature to a workshop or event I would be glad to do that too.

I also get to be on the Communication Committee, surprise for me! I didn’t know that. Even more of a surprise, I somehow managed to get myself elected the chairperson. I may have to have a conversation with my service sponsor. Just joking! This is the first panel for this committee so it is pretty interesting as we try to understand our purpose. It’s fun in a service junkie kind of way. Thank you for letting me be of service,

Libby G., Alt. Area Secretary/SAGSC Secretary

Message from our Area Alternate Chair

Hello Area 42! My name is Jonelle and I am an alcoholic. I have the wonderful privilege of serving you as your Alternate Area Chair. I get excited each rotation because I don't know what it will look like and I don't know what kind of growth will come with it, but I know it'll be an experience!

General Service is life changing. I feel whole because of it. At around four years into this sobriety thing, I became bored. I was young, sober, and a bit restless, irritable, and discontent. I had already served most positions at a group level... except for the treasurer. I had a thing with other people's money.

I had done conferences and dances and bbq's. I chaired meetings in treatment centers and spent my holidays carrying the message in detoxes. I went to diners to drink coffee and smoke cigarettes after meetings and drove all around the state of New Jersey and New York with a car full of newcomers. And yet, something was missing.

One Saturday morning, I followed "Mr. Wonderful, Until He Wasn't" into a GSR Workshop and I was hooked. I felt like I belonged to the club of "I Know

Something You Don't Know" and I loved it! I became the Alternate GSR for my homegroup. My first Agenda Item group conscience was me and I believe four other people, but I gave it my all! I went to my first Assembly and it was completely foreign to me. I went to the microphone to give my group's feedback and I felt so uncomfortable and awkward and wrong and, and, and... Ugh! What a mess! What a confused, vulnerable, glorious mess!!!! I wouldn't have it any other way.

General Service has given me a voice, has given me true patience, has brought me to right size and boosted me when need be, it has challenged me... oh my goodness, the challenges!!!! So, if you are new, welcome. I hope you enter this phase of your development as open as you can possibly be. You are not alone and won't ever have to be on this weird General Service adventure. Because it is, it's weird.

"I get excited each rotation because I don't know what it will look like and I don't know what kind of growth will come with it, but I know it'll be an experience!"

Message from our Area Finance Committee Chair

Beginning January 1, 2023, through a series of guidelines changes at the Area level as well as at the sub-areas of NAGSC and SAGSC, our three treasuries have been combined into one account. The treasurers and the finance committees of all three entities, along with an ad hoc committee, have all worked diligently to see that this process runs as smoothly as possible. Everyone involved appreciates the patience of our members and we know there are still a lot of questions being asked. Keep those questions coming!! We are developing processes as we go and we need to know what works and what doesn't work with our new systems.

The main thing to remember is that groups will no longer send contributions directly to SAGSC or to NAGSC. Those contributions should now be sent to the same address as used to contribute to Area 42. That does not mean, however that those entities do not still need your contributions. We are still funding our NAGSC and SAGSC elected and appointed positions to Area Assembly and to PRAASA. Those entities

still need group contributions in order to provide services to the members through the standing committees. Contributions to SAGSC and NAGSC can now be combined with contributions to the Area. As an example, if a group has been contributing 50% of its excess 7th tradition to SAGSC or NAGSC, and 25% to Area 42; that group can now contribute once, 75% in one amount to Area 42. The Area treasury will fund your sub-area, NAGSC or SAGSC, through one centralized account.

Please continue to reach out to your treasurers and to the Area 42 Finance Committee members with your questions and shared experience. We want to know how this new accounting is working and how we can improve this important service arm of general service. Our Area 42 basket remains where "money and spirituality mix!"

Laura J., Area 42 Finance Committee Chair

Contributions can be mailed to:

Make checks payable to "Area 42 Treasury." **PLEASE**, be sure to include the group name and provide an email address for the receipt.

AREA 42 TREASURY UNIFICATION

Groups and individuals can now write one check, instead of two, when making group distributions to support the general service work of CPC, PI, Grapevine, Accessibilities, Archives and the other general service entities.
