Message from our Delegate

Hello Area 42. I am writing this article the day after the SAGSC and Intergroup Service Festival and I have never been more excited to be part of Area 42 General Service. The room was packed with all of the committees and participating members. The unity that I felt between the Las Vegas intergroup, LVYPAA, the Hospitals and Institutions Committee, and the Area 42 Districts and Standing Committees made me so proud to be a part of this beautiful worldwide fellowship!

The theme for the 74th General Service Conference is “Connecting with Love, Unity, and Service.”

In 2020 many of us were in Arizona for PRAASA. We were all up there hugging and kissing and shaking hands. Two weeks later we were on pandemic locked down and most of our service work and committees came to a standstill in Nevada. Now, as we move towards the end of the first year of the Panel 73 General Service Committee, we are back in action and once again doing our work of saving the lives of Alcoholics. Our Southern and Northern Standing Committees are active with presentations in the Area, our Districts are busy with workshops. Our Area Conference Committees are ready to summarize the agenda items for discussion at our springtime Round Tables as we prepare for the next General Service Conference.

The theme for the 74th General Service Conference is “Connecting with Love, Unity, and Service.” In Dr. Bob’s last talk he reminded the fellowship to “not louse it up” and offered us these wise words:

“Our Twelve Steps, when simmered down to the last, resolve themselves into the words “love” and “service.” We understand what love is, and we understand what service is. So let’s bear those two things in mind.”

With love and service also comes unity, which, In my opinion, is the most important principle in AA. I once heard someone say, “in AA we only have one tradition and that is tradition one, our common welfare should come first; personal recovery depends upon AA unity.” All of the other traditions show us how to maintain that unity. When we all work together, follow our traditions, and stick to our primary purpose, I think it is very easy for us to keep our unity.

A.A. saved my life and General Service has become a huge part of my recovery program. Thank you for being with me on this journey and for participating in General Service in the greatest Area in the history of the universe!!

Message from our Area Chair

Hello Area 42, Thank you for a wonderful Fall Assembly. Thank you District 12 for bringing the food and snacks, setting up for the banquet and chairing the AA meetings and to NACYPAA for making coffee and bringing the drinks. Of course, we appreciate all of you who jumped in to help when help was needed.

We had wonderful presentations from Area 42's Delegate, Jake S., including an awesome PowerPoint, Marita R, U.S. Trustee-at-Large, with a beautiful slide show and presentation, and Ruth J. on the history of Area 42. Our Area is so privileged to have all of you as part of our fellowship.

The Mizpah Hotel and the Belvada Hotel are under new management (same owners) and have offered to give Area 42 a block room rate using a code when booking. For those of you who want to stay at either of these hotels, please use

the code: Area42 to book at a reduced rate. If you have booked your room already, please give them a call to make sure you get the block rate.

The Pacific Regional AA Service Assembly (PRAASA) is coming up in a few months, March 1st-3rd 2024 in San Francisco, California. We should be getting notice from the PRAASA host committee soon. Be sure to make hotel reservations as soon as you can because the rooms will fill up fast. For anyone who has not attended PRAASA, we hope you are able to attend. San Francisco is fairly close and I hear the rooms will be reasonably priced. PRAASA is a great opportunity to connect with people around the Pacific Region and those with similar positions who you can share your experience with and begin friendships which will last a lifetime.

Important new information about hotel discounts from Lyle C., our Area Chairperson!

A discount nightly hotel rate has been negotiated by our Area Chair for the two hotels closest to the convention center, the Belveda and the Mizpah. When you book your room for Assembly, either on their websites or by phone, use the discount code "Area42" and receive a reduced rate. This is a room block, so if their websites show booked for Assembly dates, add in the code to access open rooms.

Message from our SAGSC Chair

Finally! It’s safe to go outside without being burned to a crisp. How anyone was able to market air fryers, saunas, and blow driers in Southern Nevada is beyond me!

The cooler weather also brings on lots of AA activities. District 1 had a beautiful day for a picnic in the park in Boulder City – great food, games, entertainment, and speaker. FYI – any AA member can go to any District picnic, workshop or other AA function. You don’t have to be part of that District. I love going to picnics and workshops. Unfortunately, I wasn’t able to attend District 5b’s picnic – next time.

Our incredible Intergroup General Service Liaison and her committee put together a WOW! Service Festival at Central Office. We had a great turnout, with Grapevine trivia, drawings for baskets for both English and Spanish-speaking members, awesome service speakers (past General Service Manager, Central Office Manager, Current Delegate), a hysterical Young People’s play, delicious food (prepared by District 21), and tables everywhere, hosted by Districts and Service Committees (Area and Intergroup). The prize for best decorated District Table went to District 7.

District 5b also had an awesome table with a 12 step theme. We have some very creative people in our Area! Thank you to everyone who participated in this first post-pandemic Service Festival. We have not forgotten how to throw a party! 😊

I can hardly believe it is time to prepare for our next Southern Area General Service Committee (SAGSC) meeting on November 12th! 2023 is flying by! My job, as your Southern Area Chair, is to create a meeting Agenda to serve You and to facilitate Your meeting. That’s it. In addition to the usual reports from our Southern Area Trusted Servants: Delegate, Committee

Chairs, DCMs, and Liaisons, we will have reports from our Ad Hoc Committees. These committees have been hard at work. The Guidelines Committee is bringing forth a new set of proposed Guidelines that bring the Southern Area in closer alignment with the Area and the Northern Area Guidelines. We will have an update on the Area Inventory we conducted at the September Assembly, as well as an update on our new Area 42 Website. We have also started on our Southern Area Inventory and our Ad Hoc Committee Chair will update us on that project.

As I mentioned, this is YOUR meeting. If there is anything you want to add to the Agenda, or if you have ideas about how to make our meetings run smoother, please, please, please reach out to me. My

job is to serve You so you and we can better serve the alcoholic who is still suffering. Very simple. See you November 12th!

Coming soon

“There’s something for everyone in AA!”:

- Every Friday – 2pm – District 17 (Pahrump) Karaoke @ the First Step Club
- Almost every Saturday -9-11 am – Archives meets @ Central Office – please reach out to Ronnie if you would like to join us.
- Sometime in the Fall- District 17 – Softball game in Pahrump
- Oct 28th – LVYPAA - Scavenger hunt at TIE Club
- November 12th – SAGSC – live @ Central Office and via Zoom

Message from our Area Alternate Secretary & SAGSC Secretary

The year is rolling by quickly. I can hardly believe it is October. I wanted to take a moment to thank Area 42 for allowing me to be of service as both the Alternate Area Secretary and the SAGSC Secretary. I have learned so much and been given such great examples of service to follow. Gratitude to all.

Okay enough of the mushy stuff. I had a great time at the Area Assembly handling the literature. I think that might be my favorite part of the position. I’ve really learned a lot about what people are interested in and what their groups need. By far the most popular pamphlet is the one on Sponsorship. The Service Manual is the most popular book sold at the Assembly but that makes sense, since there is where all the service junkies are found.

The Area Inventory Ad Hoc committee finished its assignment. It was such an honor to work with Sophie, Ruth and Joe. They all knew so much, and we worked well as a team. It was a gift. I felt the discussion at the Assembly went really well. Everyone was thoughtful and insightful. Jonelle will be leading the charge on reviewing and actioning the results in an Ad Hoc committee. I’m sure some really good things will come out of this process.

At this writing, the Las Vegas Intergroup / Area 42 Service Festival was held yesterday and it was a roaring success. Congrats to the team that put it together. It looked like everyone had a wonderful time and I heard people did talk to the committees and learned a lot more about service. It meant a lot to me that the Intergroup Committees showed up. Having the usual suspects like the Grapevine, CPC, PI, Archives mix with the Intergroup Committees like the Hotline and 12 step list was great. I really felt that it was a step in creating more unity in the South. Having the speakers focus on Group service, Intergroup service and General Service was great and seemed to tie everything together. Next year should be even bigger and better. Again, I wanted to thank Area 42 for my opportunity to serve, it means the world to me.

Online Contributions to the A.A. General Service Board are easier than ever!

Recent improvements to the online contributions page at aa.org have simplified the payment process, allowing for faster processing of your group's or individual Seventh Tradition donations. While the General Service Board will continue to accept contributions by mail, it is important to remember this recently shared information:

Online contributions cost less to process than those made by check, saving our fellowship \$2.67 per contribution!

In a recent email communication, our General Service Office manager, Bob W. shared, "Currently less than 25 percent of contributions are made online. We hope that these improvements will encourage more use of our online contribution pages, increasing the impact of your Seventh Tradition contributions." Bob W. GSO GM

Please share this information at your district and group business meetings, A savings of \$2.67 per contribution will go a long way to support our services at home and worldwide through our collective basket, "where money and spirituality mix."

SAGSC Grapevine Chair - First Year Reflection

The Grapevine gave me a meaningful way to relate to the program from early on in sobriety. I was given a Grapevine Magazine and able to relate to stories in a way that I was sometimes not able to relate to the Big Book. In that first year of sobriety, serving as a Grapevine Rep for my home group, I was given a purpose, without feeling overwhelmed. Later on, I was able to learn more about what the Grapevine was doing in New York, in my district, and in the Area, when I became a Grapevine Representative for my district. Holding the current position of SAGSC Grapevine Chair seems like it was tailor-made for a person who loves the vast amounts of literature that A.A. Grapevine has published, and continues to publish. Not only that, it seems that in the last several years the Grapevine has been one of the most forward-thinking areas of this sober world of Alcoholics Anonymous; with its YouTube, podcasts, audio downloads, and Instagram! The Grapevine is taking the idea of Carrying the Message to a whole new level!

As far as SAGSC Grapevine, we have been fairly active this year! Our Grapevine Team has consistently met virtually the last Tuesday of each month, with anywhere between 5-13 members contributing to the dialogue and offering their enthusiasm! We have offered support to our community, through literature and/or informational pamphlets at events, workshops, and panels. We hosted a table at both spring and fall Area conference assemblies. We have hosted several writing workshops. We began the community “Carry The

Message” project, bringing older Grapevine magazines into sober living facilities, hospitals, and institutions.

I have had the privilege of attending two National Grapevine Area Chair Workshops, virtually. I am so appreciative of the Grapevine crew in New York, who have always been there to answer my questions and provide great information throughout this first year. Super grateful for the support and enthusiasm from my service sponsor, our area delegate, and the grapevine team as well. This

has been an extremely rewarding service position and I am looking forward to year two!

Area 42 Hosts the Pacific Region Forum

July 12-14, 2024, Las Vegas, Nevada

In July of next year, Area 42 will host the Pacific Region Forum. One of the questions that is always asked at every General Service Conference is, “how can we get more first time attendees to come to our Regional Forums?” This is answered by you and we hope to get as many first timers as possible, from all over the Pacific Region, to join us in Las Vegas at the Westgate Las Vegas Resort, July 12th – 14th of 2024. Please help us get the word out.

We will need lots of volunteers. Rhonda W. and Jay S. are chairing the volunteer committees from the South and the North, respectively. Please reach out to them and sign up as a volunteer.

Those of you who have not attended a Forum in the past may be asking what a Pacific Region Forum is about. The Regional Forums are organized by the General Service Office (GSO) and offer the opportunity for local members to meet staff members of the GSO, the General Service Board, A.A.W.S., and the AA Grapevine. There is no registration fee for A.A. members at Regional Forums and the costs of the facility are paid by the General Service Board.

The purpose of the Regional Forums is to provide a weekend of presentations and in person interaction between AA members and the General Service Office for an exchange of ideas and information. Every year, at the conference, the members of AA, through our Delegates, informs the General Service Board what we would like them to work on. At the Forum, the GSO board members and staff will let us know how the work is being carried out and what is happening in A.A. in the Americas and all over the world.

Area 42 has been given the honor of hosting this event. Please consider volunteering and be sure to spread the word about this event. The “Save the Date” card above will be available at our Fall Assembly. Please pick up a few and share them with your local members and groups. We would love for everyone to bring a first timer to this wonderful and informative General Service event.
